DECLASS REVIEWED BY ~~NOA~~ Approved For Release 2004/03/26 : CIA-RDP

SUSPENDED 21 JULY

7 July 70

Ch. IEG

- Re PIR, "Increased Military Activity in the Transcaucasus MD of the USSR":

PIR

- This is moving in a useful direction. I shall be interested in any customer reaction received.
- I suggest that the word "Increased" was not necessary in the cover and p. 1 titles. Also, I think the relevant dates -- June 68 - Apr 70 -- should have been included in those titles.
